ABOUT BeDesi

BeDesi is a quirky range of handmade products for pets manufactured by underprivileged women residing at Sanjay Gandhi Camp, Chanakyapuri, Delhi. The products are currently being marketed by Enactus, Motilal Nehru College, that is a student run social entrepreneurial organisation. A part of the proceeds from the sales of BeDesi products goes to animal welfare NGOs working for sterilisation and immunisation of stray dogs and the remaining part goes to the women manufacturers working with us.

BeDesi Customised Collars

The new range of BeDesi products includes customised collars. It is a personalized range which will allow the customers to get their dog's name on the collar. The name is added using beautiful **Zinc Alloy letters, which are embedded with small crystals**. The collars are easy to adjust, comfortable and durable.
***Only the collar will be customised**
